

PARTNERSHIP COMMITMENT

We ask participating organizations to:

- ✓ Regularly attend OC Campus Collective gatherings
- ✓ Build relationships with other churches and ministries serving students
- ✓ Share ideas, encouragement and best practices
- ✓ Celebrate wins and collaborate toward reaching every campus in Orange County

OUR VISION

We believe every college and high school student in Orange County should have the opportunity to encounter Jesus through a local Christian community. By investing in one another, sharing resources, and collaborating across organizations, we can accomplish far more together than any one ministry could alone.

COLLECTIVE RESOURCES

Building a lasting network of churches and ministries committed to seeing every Orange County campus reached with the gospel.

The OC Campus Collective is investing in organizations launching ministry on new college and high school campuses. Rather than simply providing one-time funding, this grant is an invitation to become part of a collaborative network that shares ideas, resources, encouragement, and strategy for years to come.

Up to \$1,500
available for each
new campus launch

APPROPRIATE USES OF FUNDS

Funding is available for organizations establishing a new Christian presence on campuses where one does not currently exist. Grant funds may be used for expenses directly related to launching ministry on a new campus, including:

- ✓ Student outreach events
- ✓ Promotional materials and printing
- ✓ Interest meetings and hospitality
- ✓ Leadership development resources
- ✓ Campus registration fees and launch supplies
- ✓ Other approved launch-related expenses
